State Highway Patrol  
Bernalillo, New Mexico

Dear Sir,

We have received an indirect report of an unidentified flying object observed over Algodones which was relayed by your office to Kirtland AFB, New Mexico. The information which we received was incomplete.

Should you have knowledge of the witnesses who observed the objects over Algodones we would appreciate your relaying the attached FTD Forms 164 and self-addressed envelopes to them.

The Air Force appreciates your assistance in this matter.

Sincerely,

*Hector Quintanilla Jr.*

1. In accordance with telephone conversation this date, attached are copies of information received on alleged UFO's. The weather at 2235 local was 7000, scattered 12,000 broken, 50 mile visibility, temperature 64, Dew point 57, winds 230 at 5 knots, altimeter setting 3011.
2. I was unable to confirm any aircraft in the area, however, I feel that the sightings are probably over-flying aircraft in the broken cloud decks. This type of sky coverage is unusual in this area and there has been heavy UFO publicity that you are quite familiar with.
